*Working with you
to make your business
event even better than
you ever imagined!*

We know it takes a lot of hard work on your part to make sure that your business meeting runs to plan and achieves its objectives. We know how much preparation has to be done.

So it's all the more important that your chosen venue matches your effort, sees to it that the detail is right, stretches itself to help out any last minute snags that often occur despite the most careful planning.

Sometimes it's good to get away from the office, even if you have in house facilities. It just seems to relax people and often results in a much higher level of delegate creativity and contribution. Of course we recognise that budgets must be adhered to and that's why you will find all our current tariffs inserted in the flap inside and back cover of this brochure. Customising a package for you will be a pleasure.

Our conference team will be there to assist you at every step of the way. Your dedicated staff contact will be there to ensure that the arrival of delegates and start of the conference runs smoothly, and will be available for the duration of your event.

Lilian Hargreaves one of the founders of Best Western Mytton Fold is assisted by her daughters Hotel General Manager Barbara, Complex Administrator Carole, and son David, who is Conference and Banqueting Manager.

Set in 100 acres of some of the most beautiful scenery in the United Kingdom and surrounded by its own par 72, 18 hole golf course, Best Western Mytton Fold has 6 meeting rooms accommodating up to 290 delegates. Best Western Mytton Fold is ideally located as a conference centre, just 15 minutes from the M6, Junction 31, 15 minutes from Junction 6 of the M65 and 35 minutes from Manchester International Airport. There is free car parking for up to 300 cars.

"I would just like to say a very big thank you for hosting our last College 100 Student Voices last academic year.

We were extremely impressed with the venue and the whole booking and delivery process. It was a simple and seamless process made so by your smart and efficient staff. We found all your staff extremely dedicated, kind and helpful and they accommodated all our additional requirements effortlessly.

Your venue has plenty of great parking with very easy access for us with students having some mobility restrictions and your well maintained grounds were a lovely backdrop for our event.

We were very impressed by your catering, providing fantastic food at a price within our budget and it was delivered to 100 people trouble free even with our quite specific dietary requirements.

I would be very much obliged if you could pass on our sincere thanks to all the staff involved in our event and I will happily pass on our recommendation of your venue to my colleagues and others for their events."

"Everyone I have come into contact with is always very courteous, friendly, yet also professional.

The recent addition of several new bedrooms has meant we can now include additional personnel for our quarterly sales meetings.

The facilities offered by the banqueting complex have proved more than adequate for our needs.

Add all of these points to the fact that I can play a few holes of golf when I am staying and I am pleased to say the total experience is one which I am hoping to be lucky enough to enjoy for many years to come."
